

Make a day of it!

Join CIGI and Ontario Soybean Growers for a one-day biodiesel workshop

Using CIGI's portable biodiesel plant, we'll show you the biodiesel production process from oilseed extraction to final product, including a demonstration using the biodiesel produced on-site.

Dates and locations:

- Nov. 13 • **Seaforth Agriplex, Seaforth**
- Nov. 15 • **University of Guelph Elora Crop Research Station, Elora**
- Nov. 16 • **University of Guelph Ridgetown Campus, Ridgetown**
- Nov. 19 • **Port Perry Community Centre, Port Perry**
- Nov. 20 • **University of Guelph Kemptville Campus, Kemptville**

Workshops run **8:30 a.m.-4:30 p.m.**
Registration fee: \$40 at the door. Lunch provided.
Space is limited, pre-registration is required.
